Northstar Investment Advisors Expands Staff

-New employees will support operations and increase client service-

Denver, CO - Northstar Investment Advisors has added Danette Penrod and John Riecke to it staff. Penrod has been appointed Client Services and Operations Manager and Riecke is serving as Operations Administrator.

Penrod joined Northstar after spending two decades providing operations support for investment advisors, banks and mutual fund firms. As Client Services Manager, she manages the operations side of client services and assists with ongoing account administration. Penrod most recently served as operations and marketing manager for Guerin Financial Services, where she oversaw a wide range of operational responsibilities, including information technology, website management, human resources and client communications. She has also worked as a personal banker for US Bank and an investor communications representative for Janus Mutual Funds.

In his new role, Riecke executes trades on the behalf of clients, rebalances client portfolios and maintains asset allocations for the Northstar Income Indices. He also provides client service support. Before joining Northstar, John worked for four years for the wealth management firm Envestnet, where he provided relationship management and technical support to more than 350 manager partners. He also held analyst positions at WealthTouch Inc, supervising a team dedicated to reconciling financial portfolios and performed customer service for Aurora Loan Services. He is currently pursuing his Series 65 license.

Established in 1995, Denver-based Northstar Investment Advisors LLC is an independent registered investment advisor. Northstar's employs an Income First Total Return investment strategy, focused on creating growing and sustainable income streams from a diversified portfolio of income-producing securities.
